Garrison practices to help his 20th EMS team stay in the hunt for the Commander's Trophy in Shaw's Intramural Bowling League Monday. Garrison's 148 average was enough for EMS to win one of two games of the night in a double-elimination tournament.

Intramural bowling championship begins

Shaw bowlers are knockin' 'em down in the final week of competition at the base bowling center.

The top eight teams from the 2003 intramural season entered the rolloff Monday at Shaw Lanes to compete in a double-elimination tournament for the Commander's Trophy, according to Gary Funk, bowling center manager.

The championship game is scheduled for Monday. The game format through the rolloff uses total pin-count with players' handicaps included.

It makes for tough competition, said Horace Garrison, 20th Equipment Maintenance Squadron. Anyone can win, he added.

But, the team to beat is the Bag Draggers (609th Air Communications Squadron). They were on top of the standings most of the season and captured the league championship.

The 20th Transportation Squadron beat the Services A Team and took the trophy last year. TRANS is now one of three teams from the 20th Logistics Readiness Squadron in the league.
